

CJ4 System

INJECTRONIC

1

OBDII Generic

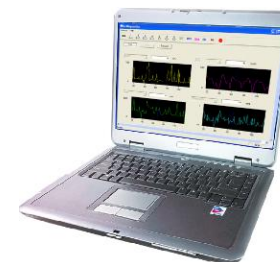

Functions and Features

- SAE enhanced OBDII Data.
- Live data
- DTCs.
- Information Center.
- Screenshot capture.
- Graphs.
- Internet updateable.

2

9404 USB cable

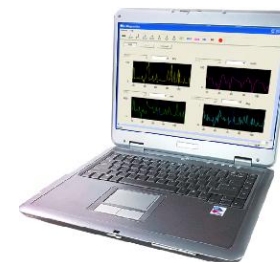

PC Based OBDII (USB)

- The CJ4 includes an OBDII PC application LT Soft 4.
- USB Cable included

3

9184 Serial Cable

PC Based OBDII (Serial)

- The CJ4 includes an OBDII PC based application LT Soft4
- Serial cable included

4

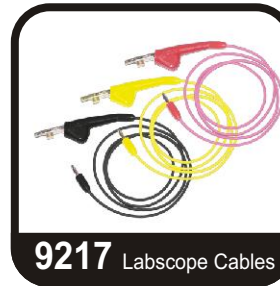

Chrysler SCI Enhanced (1996-2002)

Functions and Features

- Chrysler SCI application included.
- Engine.
- Bidirectional.
- Enhanced live data.
- Coverage 1996-2002.

5

9217 Labscope Cables

Automotive Labscope

Labscope
-Waveform Viewer and analyzer

- Labscope Included.
- Dual Channel
 - Trigger.
 - Voltmeter.
 - Reference waveform library.
 - Cursors.
 - 0-20 vts.
 - 40 KHz bandwidth.

6

*Optional

9244 Wireless Bluetooth Adapter

Windows Mobile 5.0

PDA with Bluetooth Built-in

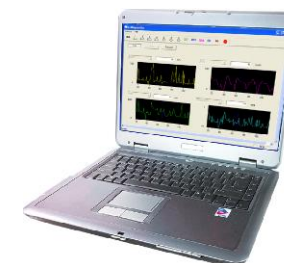

- Optional Bluetooth PDA.
- PDA software free.
 - OBDII generic
 - Bluetooth module optional.

7

*Optional

9244 Wireless Bluetooth Adapter

Integrated Bluetooth to PC

PC Based OBDII (Bluetooth)

- Optional Bluetooth module.
- PC based OBDII application is available free.

8

*Optional
9244 Wireless Bluetooth Adapter

*Optional
9219 USB/Bluetooth Adapter

Add Adapter Bluetooth to PC

PC Based OBDII (Bluetooth)

Functions and Features

- PC based Application Free.
- Optional Bluetooth module for the CJ4.
- Optional Bluetooth module for PCs without integrated wireless Bluetooth.

9

*Optional
